Sir:

Counsel for Assignee is in receipt of the Notice of Abandonment dated April 19, 2006. The Notice was issued because no reply was received by the Patent Office in response to a Notice to File Missing Parts dated October 9, 2003, for the above patent application. A review of the file indicates that a complete response was in fact filed with the U.S. Patent Office via facsimile transmission on November 4, 2003. A copy of the complete transmission, including the machine Communication Result Report confirming successful transmission, is attached. Also attached is a statement by Dyan J. Bogorodsky in support of this Petition.

Based upon such evidence, counsel respectfully requests that the Patent Office withdraw the Notice of Abandonment and reinstate the application for further prosecution.

Respectfully submitted,

Robert C. Colwell

I, DYAN J. BOGORODSKY, hereby state:

On November 4, 2003, I prepared a facsimile transmission which included a response to a Notice to File Missing Parts dated October 9, 2003, for U.S. Application No. 10/618,564. A copy of that document is attached.

I delivered this document to our facsimile machine operator who sent it to the U.S. Patent and Trademark Office. The document was received by the U.S. Patent and Trademark Office as evidenced by the last page of the document showing that nine pages of the document were received.

For these reasons, I believe the response was lost within the U.S. Patent and Trademark Office after being received there.

Dated: 14 June 06

Dyan J. Bogorodsky
